

Disinfectant / Restroom

# DUTCH<sup>®</sup> PLUS

Ready-To-Use Disinfectant Spray

When used as directed, Dutch<sup>®</sup> Plus is highly effective against a wide variety of pathogenic microorganisms including bacteria, antibiotic resistant bacteria, viruses, fungi, mold and mildew. This product is a one-step germicidal, disinfectant cleaner and deodorant designed for general cleaning and disinfecting hard, non-porous inanimate surfaces.

Effective against SARS CoV-2, the cause of COVID-19, in one minute.
